

# SKYWALKER VINEYARDS

## WHITE 2021 SKYWALKER

Marin County - California

Inspired by the vision of George Lucas, Skywalker Vineyards was founded in 1991. However, the origins of George Lucas's winemaking dream date back to his childhood in Modesto, California. A place surrounded by vineyards, where the scent of fermenting grapes hung in the air, steeped in the culture of the vineyard and winemaking. Today, you have the privilege to discover premium wines that will delight the most passionate oenophiles.

It is in the heart of this emblematic vineyards, that the legendary Skywalker cuvée was born. This wine is made from the first vines planted at the bottom of the valley, in an area where the fog maintains a temperature up to ten degrees cooler than the rest of the ranch. Plot selections, extended aging in French oak barrels and controlled yields: the noblest expression of the estate's know-how.

Manual harvest in 25 kg crates. Cool winds extend the growing season by approximately 30 days, allowing the grapes to reach optimum ripeness. Limited yields make Skywalker Chardonnay complex, rich and concentrated.

**S O I L S :**  
Rolling areas dominated by sandstone, silt, and shale. Sloping gently towards the valley, the soil is deep and more fertile than any other areas of the ranch. Roots can penetrate deeply, allowing the terroir to fully express itself.
